

# GUIDELINES ON CERTAIN ACTIVITIES DURING THE GENERAL COMMUNITY QUARANTINE (GCQ) IN THE CITY OF TAGUIG

As per Taguig Safe City Task Force Advisory No. 18

## DINE-IN ESTABLISHMENTS

In accordance with the Safe City Task Force Advisory No. 14, Paragraph (C) of DTI's Minimum Health Protocols for Dine-in Restaurants and Fastfood Establishments, as adopted in IATF Resolution No. 45, all eating establishments shall be allowed to operate at thirty percent (30%) operational capacity, subject to the installation the following equipment and systems at their respective stores or areas:

1. Properly-sanitized tables and chairs (after each customer's use)
2. Distancing of tables and chairs to at least one (1) meter apart on all sides
3. Face to face seating is allowed only with proper dividers
4. Visible floor markings for guidance of clients in queueing, preferably color-coded
5. Proper ventilation in the establishment

Subject to changes by the IATF, all notices and bulletins will be published at [safecity.taguiginfo.com](http://safecity.taguiginfo.com) and Safe City Taguig Facebook Page.

# GUIDELINES ON CERTAIN ACTIVITIES DURING THE GENERAL COMMUNITY QUARANTINE (GCQ) IN THE CITY OF TAGUIG

As per Taguig Safe City Task Force Advisory No. 18

## DINE-IN ESTABLISHMENTS

6. Visibility and accessibility of sanitizing equipment and tools
7. Provision of food menus per table
8. Contactless order-taking
9. Cover pieces of furniture of porous materials in plastic for ease of sanitation
10. Personal effects of personnel in plastic bags and stored in an area inaccessible to clients
11. Clean trash bins for used papers and used tissue
12. Clean washrooms and toilets with sufficient soap, water and tissue and toilet paper
13. Disinfection of high risk areas such as order and bar counters, every 30 minutes.

Subject to changes by the IATF, all notices and bulletins will be published at [safecity.taguiginfo.com](http://safecity.taguiginfo.com) and Safe City Taguig Facebook Page.
