17 September 2020

TAGUIG SAFE CITY TASK FORCE
ADVISORY NO. 25

TO : ALL CONCERNED

RE: Placement of certain areas of Barangay Santa Ana under an expanded Localized Community Quarantine (LCQ)

Using the latest data from the Systematic Mass Approach on Responsible Testing (SMART) program implemented in Barangay Santa Ana, as well as the quarantine report and updates of the Quarantine and Containment Management Team during a meeting last September 16 and 17, 2020, our data has not yet identified the source of the transmission, nor do we have clear identifiers that the spread of the disease has been controlled. In order to further isolate and contain the virus, the City Epidemiology and Disease Surveillance Unit (CEDSU) and the Quarantine and Containment Management Team (QCMT) recommends the following:

1. Inclusion of additional streets or areas to be declared under LCQ based on the latest available data;
2. Stricter implementation of quarantine protocols in order to limit the movement of residents; and
3. Implementation of a more aggressive strategy on community testing and continuous active case finding.

Therefore, based on the latest available data of CEDSU and the recommendation of the QCMT, **starting tomorrow, 18 September 2020 at 6:00p.m., until 30 September 2020, the following areas in Barangay Santa Ana shall be placed under an expanded Localized Community Quarantine:**

1. **Pulong Kendi 2;**
2. **Samasipat;**
3. **Faculty Street; and,**
4. **Romantic Street.**

The rules and guidelines in accordance with the provisions of Safe City Task Force Advisory No. 12 shall be implemented in the abovementioned areas.

Any person found in violation of these guidelines shall be penalized in accordance with Republic Act No. 11332, otherwise known as the "Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concern Act" in relation to Presidential Proclamation No. 922, and other applicable laws
