

SAFE DINING GUIDELINES

As per Safe City Task Force Advisory No. 29 and DTI Guidelines on Minimum Health Protocol for Dine-in Restaurants and Fast Food Establishments

Pinapayagan ang mga kainang mag-operate sa 50% lamang ng karaniwang kapasidad.

Pinapayagan ang dine-in hanggang 12AM lamang ngunit maaaring mag-operate ang mga food establishment 24 oras para sa take-out at delivery services.

Pinagbabawalan ang mga may edad 17 pababa at 65 pataas. Hindi rin dapat lalagpas sa dalawang oras ang pagdine-in.

Kailangan ng mga customer magpakuha ng temperature, magfill-out ng health declaration form, at mag-alcohol bago pumasok.

Maaari lamang tanggalin ang face shield at face mask habang nakaupo at kumakain.

Hindi dapat lalagpas sa 2 servings ng alcoholic beverages kasabay ng 2-hour meal at pinagbabawalan pa ring mag-operate ang mga bar at nightclub.

Ang mga event, party, at iba pang intimate gathering sa mga restaurant ay kailangang ipagpaalam sa Safe City Task Force. Kailangang makipag-ugnayan ng DSO ng establishment sa Safe City.

Aside from the penalties stated in the New Normal Ordinance, businesses who violate any of the health and safety protocols stated in any of issuances of the IATF, any of the relevant national government agencies, or the Safe City Task Force, shall be cause for the revocation of their business permit in accordance with the Taguig Revenue Code and the Local Government Code.
