TAGUIG SAFE CITY TASK FORCE
ADVISORY NO. 40

TO: ALL RESIDENTS, EMPLOYEES, EMPLOYERS AND OWNERS OF BUSINESS ESTABLISHMENTS, OFFICERS AND EMPLOYEES OF GOVERNMENT OFFICES, AND OTHER STAKEHOLDERS OF THE CITY OF TAGUIG

RE: Updated Guidelines on Certain Activities during the Modified Enhanced Community Quarantine (MECQ) in the City of Taguig

In accordance with Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) Resolution No. 109-A, and the announcement of Presidential Spokesperson, Sec. Harry Roque, regarding the implementation of the Modified Enhanced Community Quarantine (MECQ) in the National Capital Region Plus (NCR+) from 12 April 2021 to 30 April 2021, the following guidelines shall be followed:

1. MODIFIED ENHANCED COMMUNITY QUARANTINE

This MECQ under the IATF Resolution No. 109-A refers to the transition phase from ECQ to MECQ, when the following temporary measures are relaxed and become less necessary: stringent limits on movement and transportation of people, strict regulation of operating industries, provision of food and essential services, and heightened presence of uniformed personnel to enforce community quarantine protocols.

2. STRICT IMPLEMENTATION OF MINIMUM PUBLIC HEALTH STANDARDS

All individuals shall abide by the minimum health standards prescribed by the Department of Health (DOH), as well as sector-relevant guidelines issued by the national government, its offices and attached agencies, as well as guidelines issued by the City, to wit:

- a. Wearing of face masks and face shields;
- b. Washing of hands;
- c. Observing social distance;
- d. Conducting daily health checks; and,
- e. Reporting individuals with symptoms or those who tested positive to COVID-19 to the Taguig COVID Hotline.

a. Common Safety Protocols

- i. The “No Face Mask, No Face Shield, No Ride” Policy shall be strictly enforced in all modes of public transportation or employee shuttle service, except that face shields shall not be required for motorcycle taxis. Passengers and drivers who willfully disregard this policy must be refused entry or prohibited from operating any public utility vehicle (PUV);
- ii. The following are not allowed to ride any public utility vehicle, except when procuring essential needs, going to work in permitted industries or offices, or medical emergencies:
 - (1) Any person below eighteen (18) or above sixty-five (65) years old;
 - (2) Those with immunodeficiency, comorbidities, or other health risks; and,

(3) Pregnant women.

- iii. Passengers in any type of PUV or employee shuttle service must be seated at least one (1) seat apart, except for motorcycle taxis and those expressly provided by the IATF-EID or the DOTr;
- iv. Private and public utility vehicles shall only accommodate passengers in accordance with the maximum capacity approved by the DOTr. Drivers and operators that exceed the allowed capacity shall be apprehended and their vehicles towed;
- v. Drivers and operators of PUVs and employee shuttle service vehicles must provide alcohol or hand sanitizers inside their vehicles;
- vi. All drivers and operators must conduct disinfection of their vehicles thoroughly before and after each use;
- vii. All PUV and employee shuttle service terminal operators must ensure that queuing passengers strictly observe social distancing, by requiring passengers to maintain a distance of at least one (1) meter from the next passenger;
- viii. The terminal operator shall check the body temperature of all passengers before providing the service. In case the body temperature is above 37.5°C, the passenger shall not be allowed to ride the vehicle and asked to return home;
- ix. Eating inside PUVs and employee shuttle services are strictly prohibited. Talking, and making or taking phone calls are strongly discouraged;
- x. The terminal operator shall maintain a logbook of the names of the passengers, the time of their departure, as well as the vehicle code or plate number of the PUV the passenger rode. The record shall be submitted to the City Epidemiology and Disease Surveillance Unit (CEDSU), should the need arise;
- xi. In order to avoid crowding and impeding vehicular traffic, all PUVs and employee shuttle service vehicles shall have separate designated pick-up and drop-off points for their passengers. Picking up passengers at drop-off points, as well as dropping off passengers at designated pick-up points shall be strictly prohibited.
- xii. The implementation of contactless payment services and automated fare collection systems for all modes of public transportation is strongly recommended. All PUV and terminal operators are highly encouraged to implement their own contactless payment systems for the benefit of all their passengers.

b. Tricycles

All tricycle drivers and operators in the City of Taguig shall adhere to the following guidelines:

- i. Tricycle operators and drivers shall only allow a maximum of one (1) passenger per travel who shall sit in the sidecar provision. For back-to-back type tricycles, they shall be allowed to accommodate a maximum of two (2) passengers. No passenger shall be seated behind the driver. Violation of this particular provision may result in immediate impounding of the tricycle unit or cancellation of their franchise;
- ii. Tricycle operators and drivers are encouraged to install a transparent plastic covering or any form of non-permeable transparent barrier between the driver side and the side car;
- iii. Tricycle driver shall not charge more than the approved rates for one (1) passenger in accordance with the regulations of the TCTRB; and,

- a. Operations of malls and shopping centers shall be allowed at fifty percent (50%) capacity;
- b. All retail stores and other service centers or providers in malls and shopping centers shall be allowed to operate at fifty percent (50%) capacity, except for those establishments listed as offering

services or goods not allowed at this time in Sec. 3(5) of the IATF Omnibus Guidelines, as amended last 03 April 2021, mentioned in this Advisory in item 3 above;

- c. All restaurants and other eating establishments shall be allowed to operate for outdoor or *al fresco* dining, take-out and delivery services only. Indoor dine-in is strictly prohibited during the MECQ period.
- d. Restaurants and other eating establishments that operate 24/7 are allowed, but strictly for take-out and delivery services only;
- e. All food establishments may offer take-out and delivery services at their normal operating hours. They are allowed to offer delivery services even during curfew hours, but may only provide take-out service for customers considered as essential workers or APORs;
- f. Those below eighteen (18) years old, above sixty five (65) years old, pregnant women, those with immunodeficiency, comorbidities or other health risks may not enter malls, shopping centers, and restaurants or other eating establishments, except when indispensable under the circumstances for obtaining essential goods and services, or for work in establishments located therein.

Any person in violation of these guidelines shall be penalized in accordance with Republic Act No. 11332, otherwise known as the "*Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concern Act*" in relation to Presidential Proclamation No. 922, Taguig City Ordinance No. 24, Series of 2020, otherwise known as the "*New Normal Ordinance of Taguig City*" and other applicable laws and ordinances. This will be without prejudice to the filing of an administrative case if the violator is a government official or employee.

The implementation of the guidelines provided above shall be closely and regularly monitored. These guidelines are subject to change, in accordance with the evaluation of the Safe City Task Force and the issuances of the IATF-EID, and other relevant national government agencies and offices.

For guidance and strict compliance.
