

# REMINDERS TO ALL BUSINESS ESTABLISHMENTS

Let us work together as we truly reopen the economy by making the dining experience in Taguig City safe and fun!

The City is now in the right direction, do not compromise the safety and health of your employees and customers.

Here are some things to remember:

- Check customers' vaccination cards upon entering the establishment
- Make sure customers fill-out digital or manual logbook
- Allow removal of face mask **ONLY** when seated and eating
- Allow talking to other guests **ONLY** when needed

- Removing of face mask upon /before sitting
- Not following the social distancing protocol
- Walk around without a mask while holding food or beverage.

Always remember to avoid the 3Cs:

Confined spaces with poor ventilation

Crowded places with no physical distancing

Close-contact settings with face-to-face interaction
