

ESTABLISHMENTS MUST DISPLAY MAXIMUM CUSTOMER CAPACITY AT ALL ENTRANCES

The IATF Guidelines for GCQ Alert Level 2 increased the Allowed Venue Capacity for Permitted Venues and Activities

(50% in Indoor Areas for Fully-Vaccinated guests and Minors, and 70% for Outdoor Areas.)

We would like to remind all establishments to visibly post at their entrances the allowed maximum number of customers they can accommodate and ensure compliance of the allowed capacity, as required in Taguig City Executive Order No. 7, Series of 2020, or *“An Order Establishing the Guidelines and Requirements for All Businesses Allowed to Operate during the Community Quarantine”*, and Taguig City Ordinance No. 24, Series of 2020, or the *“New Normal Ordinance of Taguig City”*.

Random inspections will be conducted to ensure compliance.
